PAPER PRESENTATION
THE COMPLETE GUIDE

Paper Presentation

A warm welcome to all the participants. We are glad to invite you to our event.

The main aim of this event is to identify and recognize your unique ideas within the given theme and to encourage your desire to increase your knowledge towards technical aspects.

First round:

- The first round will be a screening round (Abstract selection).
- The participating teams should submit their abstracts before **07.09.2021 @ 6 pm.**
- The participating teams will be screened based on the quality and content of the abstract.
- The best **20** abstracts will be qualified for the next round (Presentation).
- The teams to qualify for the second round will be getting a participation certificate.

Second round (Presentation round):

- This will be the final round.
- In this round, the selected teams will be gathered in a Google Meet where the participants are invited to present their papers.
- The presentation should not exceed **7 minutes.**
- The paper should be in [this format](#).
- The first slide of the presentation should be in [this format](#).

- The papers should be submitted via this [Google Forms](#) before your presentation.
Note: This form will accept submissions only after the announcement of the qualifier list.
- Both the paper and presentation should be submitted **before the commencement of the event.**
- The Judges will analyze the Technical content, Quality of paper, Way of expression.
- Based on the scores from the Judges the top two papers will be awarded.

Important dates:

Qualifiers list for Round 2 will be announced on **10.09.2021**

Round 2: Commences on 15.09.2021 @ 11:00 AM
