THE COMPLETE GUIDE

# FOTOHUNT

The frames you love, the different angles you create, and the lighting that creates a fantastic ambiance for a wholesome feel. Time is the only thing that we can't hold, but it can be frozen. Capture the moment in time!

To take part in this contest you should register at FotoHunt, in [www.krizen.in](http://www.krizen.in). Here we stimulate the entrants' skills in the domain of **mobile photography**.

## Basic guidelines:

- The participants are asked to capture the photograph, only with their mobile phones.
- The participants are allowed to make any edit in the photograph as per their need.
- The participants will be given a set of themes from which they can choose any one theme and submit their photographs.
- The photographs should be only based on the theme i.e., provided only by the KRIZEN team.
- The submission link will be sent to the participant's registered mail-id and also in the WhatsApp group of "Fotohunt KRIZEN'21".
- Each participant will be given a unique [access code](#) for unique identification. The participants should submit their work, with their access code mentioned at the top right corner below their name (A sample submission photo is attached at the end of this brochure).
- The participants are asked only to stick to the theme and submit their work according to it.
- The late submission of Photographs and irrelevant of the theme will not be considered for evaluation.
- The file to be uploaded should be in. JPG or. JPEG format.

- Participants with thriving capturing skills and editing skills will be encompassed here.
- The participants who submit their files within the due time will be given a participation certificate.
- The best 2 photographs will be awarded Certificates of Merit.

## Judging Criteria

- The attractiveness of the photograph.
- Wise use of theme.
- True-to-life photographs.
- 'Following the guidelines properly'.
